

**International relations** are one of the priority areas of activity of the Almaty Chamber of Commerce and Industry; it is what sets us apart from other business associations in Kazakhstan.

Our services related to foreign economic activities include:

- Organization and implementation of **trade-economic and business missions**, conferences, roundtables, seminars;
- Organization of joint group participation of entrepreneurs and companies in **exhibitions and fairs**, held both in the Republic of Kazakhstan and outside the country;
- Provision of **Statements from Trade Register** ;
- **Visa support** services;
- Provision of **industry-specific information**, connecting businesses/companies;
- Providing **information on international, benchmark, and stock exchange prices**;
- **Validation of circulation** of periodicals;
- **Translation of texts and documents** with certification by ACCI seal (from/to Kazakh, English, German, Turkish, Chinese languages);
- Presentation on the ACCI web-site **Virtual Exhibition** ;
- **Distance consulting**;
- Promotion of **investment and innovative projects, search of potential investors** ;
- **Distribution of business proposals** from local and foreign companies;
- **Informational subscription service** for entrepreneurs.
